**MABBETT DESIGNATED A “HOT FIRM” FOR FOURTH TIME**

**BEDFORD, MA (December 2012)** - Mabbett & Associates, Inc. (Mabbett™) is pleased to announce that Mabbett has ranked #22 on the 2012 *Zweig Letter* Hot Firm List of the top 100 fastest growing architectural, engineering and environmental firms in the United States and Canada. Mabbett has been recognized four years in a row and ranked #36 in 2011, #68 in 2010 and #191 in 2009. The Zweig White Hot Firms have outperformed the economy and their competitors to become leaders in their chosen fields.

The “Hot Firm” designation has been synonymous with success in the architecture, engineering, and the environmental consulting industry. Rankings are based on a survey of industry firms conducted by ZweigWhite, the publisher of The Zweig Letter, and the nation's management leader in enhancing business performance for architecture, engineering, and environmental consulting firms. ZweigWhite has recognized the fastest-growing architecture, engineering, and environmental consulting firms on the basis of their three-year growth rate in gross revenue, with 50% of the ranking based on percentage growth and 50% based on dollar growth from 2008 to 2011. The firm's annual revenue must be greater than or equal to \$1,000,000. Firms must be based in the United States or Canada, derive the majority of their revenues from the practice of architecture, engineering, planning, and environmental consulting or allied disciplines.

“We are most pleased to have been designated a Hot Firm for the fourth consecutive year,” stated Arthur N. Mabbett, President. “The objectives of a long-term business perspective, continuing reinvestment, and strategic decision-making are being achieved by Mabbett. We thank our clients for their confidence and continuing opportunities to serve them. I also congratulate the entire Mabbett Team on their achievement and success. To be ranked #22 is a most significant accomplishment.”

Mabbett is an award-winning and nationally recognized firm that provides integrated multi-disciplinary environmental, health and safety and sustainability-energy consulting and engineering services. For over 30 years, Mabbett has delivered value-added professional services to industry, commercial enterprise and Federal, state and local agencies. Mabbett is a US Department of Veterans Affairs (VA), Center for Veterans Enterprise (CVE), verified Service-Disabled Veteran-Owned Small Business (SDVOSB) headquartered in Bedford, MA with regional offices in Providence, RI; Alexandria, VA and Paramus, NJ.
